

OFFICE OF INDUSTRIAL CONSULTANCY AND SPONSORED RESEARCH
INDIAN INSTITUTE OF TECHNOLOGY MADRAS
CHENNAI – 600 036

Advertisement No.: ICSR/PR/Advt.188/2026 Dated: 17/09/2026

Applications are invited for the temporary post of **Junior Research Fellow**, Department of **Physics**, **IIT Madras**.

Co-ordinator: Prof. Bhallamudi Vidya Praveen, Dept of Physics, IIT Madras & and Dr. Sudharshan Srinivasan, Dept of Electrical Engineering, IIT Madras.

Duration: 1 year

Number of Vacancies: 01

S.No	Post	Qualification and Experience	Pay
1	Junior Research Fellow	• Qualification and Experience • B.E./B.Tech. in Electronics and Communication Engineering (ECE), Electrical and Electronics Engineering (EEE), Instrumentation Engineering, Biomedical Engineering, Mechanical Engineering, Computer Science, Applied Optics, or a related discipline. • Strong understanding of magnetic sensing, optical imaging, machine vision, image processing, and closed-loop feedback control systems. • Hands-on experience in the design, development, simulation, integration, and experimental validation of sensor-based imaging or measurement systems. • Proficiency in Python and/or MATLAB for scientific computing, image processing, signal analysis, and algorithm development. Familiarity with LabVIEW is desirable. • Experience in magnetic sensor data acquisition, signal conditioning, noise analysis, and processing of video/image data for object detection, identification, localization, or tracking. • Demonstrated experience in developing and implementing closed-loop control algorithms integrating magnetic sensing and video-based feedback, including sensor fusion, actuator control, real-time data processing, and system response optimization. • Familiarity with optical instrumentation, machine vision, computational imaging, tomography, image reconstruction, and optical system characterization is desirable.	Rs. 37,000/- plus 24% HRA Per month

		• Hands-on experience in system integration, prototyping, experimental testing, performance evaluation, and optimization of advanced sensing or imaging systems. • Strong analytical and problem-solving skills, with the ability to work independently and collaboratively in a multidisciplinary R&D environment. • A valid GATE score is mandatory for JRF position. • Age Limit: Below 32 years.	
--	--	---	--

Job Description:

- Involve in the assembly, integration, characterization, and testing of magnetic sensing and optical imaging systems, including fiber-optic and OCT-based platforms, in accordance with defined performance specifications.
- Contribute to magnetic and video/image data acquisition, signal conditioning, image processing, system calibration, and experimental validation of integrated sensing systems.
- Develop, implement, and validate closed-loop sensing and control systems integrating magnetic sensor measurements, video-based object identification/localization, and actuator control for real-time feedback and system optimization.
- Support the integration of magnetic sensors, optical imaging components, electronics, instrumentation, actuators, and software for real-time system operation.
- Participate in experimental testing, performance characterization, troubleshooting, and optimization of sensing algorithms and closed-loop system performance.
- Work collaboratively in a multidisciplinary R&D team involving optics, magnetics, electronics, instrumentation, control systems, and software development.
- Participate in regular project meetings and prepare technical reports, experimental documentation, and presentations related to system development, validation, and performance evaluation.

The last date for submission of online application is 01.10.2026.

General Instructions to the candidates

- 1) All the positions are on purely contract basis.
- 2) The completion of the period of contract will not confer any right for further extension, regularization, permanency at the Institute.
- 3) Candidates should apply online only in the website https://icandsr.iitm.ac.in/careers/current_openings.php - **(Please check the advertisement number Advt.188/2026 displayed and submit the application for the relevant position).**
- 4) Separate application has to be filled for each post.
- 5) The system will accept single application only with the registered login ID (email) for an advertisement, hence the candidate is requested to select the multiple positions (In case, the candidate wishes to apply for more than one position) before the submission of application.
- 6) The application cannot be edited, reverted once it is submitted.
- 7) Candidates should not attempt to apply twice for the same post. If multiple applications are received from a candidate for the same post, the candidature will liable to be rejected.
- 8) Candidates should follow the prescribed procedure for submission of online application.
- 9) Candidates are advised to fill their correct and active e-mail addresses in the online application as all correspondence will be made by the Institute through e-mail only.
- 10) The candidates applying for any post should ensure that they fulfil all the eligibility conditions for the post. Their admission to any stage of the selection process will be purely provisional subject to confirmation that they satisfy the prescribed eligibility conditions. Mere issue of registration certificate / call letter to the candidate will not imply that the candidature has been found eligible.
- 11) After successful online submission of application, a print out of the application form must be obtained and submitted when called for test. It will be required at the time of document verification/test/interview. Hard copy of the application is NOT to be sent to the Institute.
- 12) Candidates must be citizens of India. Persons who have migrated from Pakistan with the intention of permanently settling in India or subjects of Nepal are also eligible, but in their case a certificate of eligibility from the Government of India will be necessary for appointment. Such candidates should apply to the Government of India in the Ministry of Home Affairs for necessary certificate and furnish satisfactory proof of having so applied.
- 13) The prescribed qualifications are minimum and unless specified, they are required for consideration for the post, even if higher qualification has been acquired and the mere fact that a candidate possesses the same will not entitle them for being called for interview.
- 14) Relevant experience gained after the minimum qualifying degree will only be taken into consideration. Minimum requirements of qualifications and/or experience can be relaxed in respect of exceptionally outstanding candidates.

- 15) The experience required is relaxable at the discretion of the Institute in the case of candidates belonging to the Scheduled Caste / Scheduled Tribe, if at any stage of selection, the competent authority is of the opinion that sufficient number of candidates from these communities possessing the requisite experience are not likely to be available to fill up the vacancy reserved for them.
- 16) The Institute reserves the right to restrict the number of candidates for written / skill test / interview to a reasonable limit on the basis of qualifications, level and relevance of experience higher than the minimum prescribed in the advertisement and other academic achievements. The Institute also reserves the right of rejecting any or all the applications without assigning any reasons therefore.
- 17) Calling a candidate for test/interview merely indicates that it is felt that the candidate with others may be suitable for the post and conveys no assurance whatsoever that they will be recommended or selected or their conditions specified in the application will be accepted.
- 18) Candidates will be short-listed for Test/Interview on the basis of the information provided by them in their online applications. They must ensure that such information is true. If at any subsequent stage or at the time of Test/Interview any information given by them or any claim made by them in their online applications is found to be false, their candidature will be liable to be rejected.
- 19) The Institute shall verify the antecedents or documents submitted by a candidate at any time at the time of appointment or during the tenure of the service. In case, it is detected that the documents submitted by the candidates are fake or the candidate has clandestine antecedents/background and has suppressed the said information, then their services shall be liable to be terminated.
- 20) In case of any inadvertent mistake in the process of selection which may be detected at any stage even after the issue of appointment letter, the Institute reserves the right to modify/ withdraw/ cancel any communication made to the candidates.
- 21) Applicants who are working in **any one of the Project at IIT Madras**, must apply through proper channel otherwise they will be required to produce No-Objection Certificate at the time of document verification/Test/Interview. Candidates without NOC will not be permitted to appear for Test/Interview.
- 22) Candidates may send testimonials from persons intimately acquainted with their work and character. If the applicant is in employment, the candidate should submit testimonials from the most recent employer or immediate superior as a referee.
- 23) The Institute has a right to decide the mode of screening and testing the applicant for short listing and selection.
- 24) The Institute solely reserves the right not to fill any advertised position without assigning any reason
- 25) Only shortlisted applicants will be contacted.
- 26) No correspondence whatsoever will be entertained from candidates regarding conduct and result of test/interview and reasons for not being called for interview. Canvassing in any form will be a disqualification.
- 27) The crucial date for determining the eligibility criteria for all candidates in every respect shall be the prescribed closing date for submission of online application.
- 28) The Institute strives to have a workforce which reflects gender balance and women candidates are encouraged to apply.

- 29) Any corrigendum/clarifications on this advertisement, if necessary, shall be uploaded on website and no separate communication will be sent for this purpose.
- 30) If there is any issue to submit the application please send E-mail to : icsrrecruitment@icsrpis.iitm.ac.in / icsrrecruitment6@icsrpis.iitm.ac.in **Contact: 044- 2257 9796** on all working days from **9.00 AM to 05.30 PM (Monday to Friday – except National Holidays)**. (Please note, only technical issues will be accepted – No interim correspondence with reference to the selection process will be considered).
- 31) **Instructions to apply online:-**Eligible applicants would require to register and apply online through https://icandsr.iitm.ac.in/careers/current_openings.php and submit the application.
