

OFFICE OF INDUSTRIAL CONSULTANCY AND SPONSORED RESEARCH  
INDIAN INSTITUTE OF TECHNOLOGY MADRAS  
CHENNAI – 600 036

Advertisement No.: ICSR/PR/Advt.88/2025

Dated: 07/05/2025

Applications are invited for the temporary post of **Junior Research Fellow**, Department of **Applied Mechanics and Biomedical Engineering**, IIT Madras.

**Co-ordinator:** Prof. Lakshminath Kundanati and Prof. Ganga Prasath S, Department of Applied Mechanics and Biomedical Engineering, IIT Madras.

**Duration:** Initially for one year, later extendable based on the performance.

**Number of Vacancies:** 01

S.No	Post	Qualification and Experience	Pay
1	Junior Research Fellow	<p><b>Qualifications:</b></p> <ul style="list-style-type: none"><li>• Graduate or Post Graduate Degree in Chemical Engineering / Polymer Engineering / Materials Engg /Mechanical Engineering / Production Engineering selected through a process described through any one of the following:</li><li>• Scholars who are selected through National Eligibility Tests – CSIR-UGC NET and GATE</li><li>• The selection process through National level examinations conducted by central government Departments and their Agencies and institutions such as DST, DBT,DAE, DOS, DRDO, MHRD, ICAR,ICMR, IIT, IISc, IISER,NISER etc.</li></ul> <p><b>Preferred skills/work experience:</b></p> <ul style="list-style-type: none"><li>• Polymers processing, Polymer recycling</li><li>• Thermoforming, Polymer Extrusion</li><li>• Composite engineering</li><li>• Characterization of polymers/Polymer composites</li><li>• CAD Modelling and 3D printing</li></ul> <p><b>Experience:</b></p> <ul style="list-style-type: none"><li>• Prior research experience involving the above areas is preferred but not mandatory.</li></ul>	<b>Rs. 37,000 /- PM + HRA</b>

## **Project Summary:**

Our goal is to revisit the classical processes involved in recycling plastics and arrive at an efficient protocol, devoid of redundancies without compromising on the ultimate quality of recycled plastic. For example, washing plastic before further processing is not only energy-intensive and time consuming but also requires a large volume of water. The microplastic released from this process cannot be dealt with using current filtration techniques, making it a serious environmental hazard. However, the effect of the impurities on the macroscopic properties of the recycled materials is understudied in the Indian context. The primary goal of the project is to explore different directions in which the recycled plastic can be fabricated at scale while minimizing the impact of impurities on the macroscopic material properties. The secondary goal is to design novel geometries of the fabricated plastic, that can be assembled by simple joints and can enhance the load carrying capacity for multi-utility, as an alternative to compressed board.

The project execution will involve the following steps:

1. Creating a catalogue of different plastics, their sources, and the processing techniques used today for state-of-the-art recycling.
2. Identify the types of plastics from the waste that can be shredded and mixed. Create a workflow for compacting them using a simple mechanical process and minimal cleaning requirements.
3. Produce shredded plastic with homogeneous particle/impurity distribution using an all-purpose shredder that can take a variety of plastic waste.
4. Identify the most sustainable bio-based adhesive that can be used in combination with the mixture of shredded plastic to be able to develop the compact/densified board.
5. Tune the geometry of the board cross-section to increase the strength and longevity of the board. Develop fabrication techniques to thermoform them into complex geometries with minimal imperfections.
6. Perform LCA of the process flow and develop an optimized pipeline with improved efficiency of production without loss in material quality.
7. Development of a solar energy-based pre-heat system to bring the shredded plastic to an optimum temperature and eventually use a mechanical compaction system that also introduces surface texture to improve the mechanical performance of the material.

**The last date for submission of online application is 27.05.2025.**

### **General Instructions to the candidates**

- 1) All the positions are on purely contract basis.
- 2) The completion of the period of contract will not confer any right for further extension, regularization, permanency at the Institute.
- 3) Candidates should apply online only in the website <https://careers.icsr.in/about.php> - **(Please check the advertisement number Advt.88/2025 displayed and submit the application for the relevant position).**
- 4) Separate application has to be filled for each post.
- 5) The system will accept single application only with the registered login ID (email) for an advertisement, hence the candidate is requested to select the multiple positions (In case, the candidate wishes to apply for more than one position) before the submission of application.
- 6) The application cannot be edited, reverted once it is submitted.
- 7) Candidates should not attempt to apply twice for the same post. If multiple applications are received from a candidate for the same post, the candidature will liable to be rejected.
- 8) Candidates should follow the prescribed procedure for submission of online application.
- 9) Candidates are advised to fill their correct and active e-mail addresses in the online application as all correspondence will be made by the Institute through e-mail only.
- 10) The candidates applying for any post should ensure that they fulfil all the eligibility conditions for the post. Their admission to any stage of the selection process will be purely provisional subject to confirmation that they satisfy the prescribed eligibility conditions. Mere issue of registration certificate / call letter to the candidate will not imply that the candidature has been found eligible.
- 11) After successful online submission of application, a print out of the application form must be obtained and submitted when called for test. It will be required at the time of document verification/test/interview. Hard copy of the application is NOT to be sent to the Institute.
- 12) Candidates must be citizens of India. Persons who have migrated from Pakistan with the intention of permanently settling in India or subjects of Nepal are also eligible, but in their case a certificate of eligibility from the Government of India will be necessary for appointment. Such candidates should apply to the Government of India in the Ministry of Home Affairs for necessary certificate and furnish satisfactory proof of having so applied.
- 13) The prescribed qualifications are minimum and unless specified, they are required for consideration for the post, even if higher qualification has been acquired and the mere fact that a candidate possesses the same will not entitle them for being called for interview.
- 14) Relevant experience gained after the minimum qualifying degree will only be taken into consideration. Minimum requirements of qualifications and/or experience can be relaxed in respect of exceptionally outstanding candidates.
- 15) The experience required is relaxable at the discretion of the Institute in the case of candidates belonging to the Scheduled Caste / Scheduled Tribe, if at any stage of selection, the competent authority is of the opinion that sufficient number of candidates from these communities possessing the requisite experience are not likely to be available to fill up the vacancy reserved for them.

- 16) The Institute reserves the right to restrict the number of candidates for written / skill test / interview to a reasonable limit on the basis of qualifications, level and relevance of experience higher than the minimum prescribed in the advertisement and other academic achievements. The Institute also reserves the right of rejecting any or all the applications without assigning any reasons therefore.
- 17) Calling a candidate for test/interview merely indicates that it is felt that the candidate with others may be suitable for the post and conveys no assurance whatsoever that they will be recommended or selected or their conditions specified in the application will be accepted.
- 18) Candidates will be short-listed for Test/Interview on the basis of the information provided by them in their online applications. They must ensure that such information is true. If at any subsequent stage or at the time of Test/Interview any information given by them or any claim made by them in their online applications is found to be false, their candidature will be liable to be rejected.
- 19) The Institute shall verify the antecedents or documents submitted by a candidate at any time at the time of appointment or during the tenure of the service. In case, it is detected that the documents submitted by the candidates are fake or the candidate has clandestine antecedents/background and has suppressed the said information, then their services shall be liable to be terminated.
- 20) In case of any inadvertent mistake in the process of selection which may be detected at any stage even after the issue of appointment letter, the Institute reserves the right to modify/ withdraw/ cancel any communication made to the candidates.
- 21) Applicants who are working in **any one of the Project at IIT Madras**, must apply through proper channel otherwise they will be required to produce No-Objection Certificate at the time of document verification/Test/Interview. Candidates without NOC will not be permitted to appear for Test/Interview.
- 22) Candidates may send testimonials from persons intimately acquainted with their work and character. If the applicant is in employment, the candidate should submit testimonials from the most recent employer or immediate superior as a referee.
- 23) The Institute has a right to decide the mode of screening and testing the applicant for short listing and selection.
- 24) The Institute solely reserves the right not to fill any advertised position without assigning any reason
- 25) Only shortlisted applicants will be contacted.
- 26) No correspondence whatsoever will be entertained from candidates regarding conduct and result of test/interview and reasons for not being called for interview. Canvassing in any form will be a disqualification.
- 27) The crucial date for determining the eligibility criteria for all candidates in every respect shall be the prescribed closing date for submission of online application.
- 28) The Institute strives to have a workforce which reflects gender balance and women candidates are encouraged to apply.
- 29) Any corrigendum/clarifications on this advertisement, if necessary, shall be uploaded on website and no separate communication will be sent for this purpose.

- 30) If there is any issue to submit the application please send E-mail to : [icsrrecruitment@icsrpis.iitm.ac.in](mailto:icsrrecruitment@icsrpis.iitm.ac.in) / [icsrrecruitment6@icsrpis.iitm.ac.in](mailto:icsrrecruitment6@icsrpis.iitm.ac.in) **Contact: 044- 2257 9796** on all working days from **9.00 AM to 05.30 PM (Monday to Friday – except National Holidays)**. (Please note, only technical issues will be accepted – No interim correspondence with reference to the selection process will be considered).
- 31) **Instructions to apply online:-**Eligible applicants would require to register and apply online through <https://icandsr.iitm.ac.in/recruitment/> and submit the application.

**Sd/-**
