Job Description

Hidden Voices is an open-source effort by Robert Bosch Centre for Data Science and Artificial Intelligence (RBCDSAI) and SuperBloom Studios, which addresses the gender gap in Wikipedia through AI. The project aims to develop information theoretical approaches, ML assisted auto identification and validation of external sources and textual analysis methods to auto-generate a first draft of Wikipedia-style biography for notable women in STEMM (Science, Technology, Engineering, Medicine and Management).

As the Program Manager, you will be coordinating the efforts and initiatives of Hidden Voices. Since this is an open-source project, you will manage, organize and communicate with a large cohort of volunteers, interns, researchers and other contributors. You will also communicate with the technical team to keep track of deadlines and facilitate smooth driving of the initiative. In addition to these, you will play a vital role in helping all of RBCDSAI improve its open-source compliance practices.

Your responsibilities will include:

- Attending multiple weekly project meetings
- Performing offline OS project reviews and approvals
- Delivering open-source training
- Ensure that the project milestones and goals are met
- Contribute to the HV code repository as appropriate
- Conducting post-release audits of software to ensure we are fulfilling all open-source software license obligations and role modelling community best practices

Qualifications

You must have the below minimum qualifications to be initially considered for this position. Preferred qualifications are added advantage for selection. Experience listed below would be obtained through a combination of your degree, research and or relevant previous job and or internship experiences.

Minimum Qualifications:

Masters with 3 or more years of relevant industry experience or PhD Scholars

3+ years relevant industry experience

- Fluency with dozen or so most used open source/free software licenses and their conditions/obligations, familiarity with others
- Technical domain knowledge in at least one open-source ecosystem (e.g., Java, docker, kernel, etc.)
- Strong knowledge in Python and machine learning libraries like pytorch
- Able to quickly identify license compatibility issues

Preferred Qualifications:

- Ability to communicate complex concepts to audiences with varying levels of knowledge
- Strong program management skills and results orientation
- Deep understanding of history, goals, and principles of free/open-source software
- 5+ years of relevant industry experience
- Familiarity with software development and release processes (both open source and proprietary)
- Knowledge in Natural Language Processing and Web Crawling

General Instructions to the candidates

- 1) All the positions are on purely contract basis.
- 2) The completion of the period of contract will not confer any right for further extension, regularization, permanency at the Institute.
- 3) Candidates should apply online only in the website <https://icandsr.iitm.ac.in/recruitment/> - **(Please check the advertisement number Advt. 52/2022 displayed and submit the application for the relevant position).**
- 4) Separate application has to be filled for each post.
- 5) The system will accept single application only with the registered login ID (email) for an advertisement, hence the candidate is requested to select the multiple positions (In case, he/she wishes to apply for more than one position) before the submission of application.
- 6) The application cannot be edited, reverted once it is submitted.
- 7) Candidates should not attempt to apply twice for the same post. If multiple applications are received from a candidate for the same post, his/her candidature will liable to be rejected.

- 14) Relevant experience gained after the minimum qualifying degree will only be taken into consideration. Minimum requirements of qualifications and/or experience can be relaxed in respect of exceptionally outstanding candidates.
- 15) The experience required is relaxable at the discretion of the Institute in the case of candidates belonging to the Scheduled Caste / Scheduled Tribe, if at any stage of selection, the competent authority is of the opinion that sufficient number of candidates from these communities possessing the requisite experience are not likely to be available to fill up the vacancy reserved for them.
- 16) The Institute reserves the right to restrict the number of candidates for written / skill test / interview to a reasonable limit on the basis of qualifications, level and relevance of experience higher than the minimum prescribed in the advertisement and other academic achievements. The Institute also reserves the right of rejecting any or all the applications without assigning any reasons therefore.
- 17) Calling a candidate for test/interview merely indicates that it is felt that he/she with others may be suitable for the post and conveys no assurance whatsoever that he/she will be recommended or selected or his/her conditions specified in the application will be accepted.
- 18) Candidates will be short-listed for Test/Interview on the basis of the information provided by them in their online applications. They must ensure that such information is true. If at any subsequent stage or at the time of Test/Interview any information given by them or any claim made by them in their online applications is found to be false, their candidature will be liable to be rejected.

- 19) The Institute shall verify the antecedents or documents submitted by a candidate at any time at the time of appointment or during the tenure of the service. In case, it is detected that the documents submitted by the candidates are fake or the candidate has clandestine antecedents/background and has suppressed the said information, then his services shall be liable to be terminated.
- 20) In case of any inadvertent mistake in the process of selection which may be detected at any stage even after the issue of appointment letter, the Institute reserves the right to modify/ withdraw/ cancel any communication made to the candidates.
- 21) Applicants who are working in **any one of the Project at IIT Madras**, must apply through proper channel otherwise they will be required to produce No-Objection Certificate at the time of document verification/Test/Interview. Candidates without NOC will not be permitted to appear for Test/Interview.
- 22) Candidates may send testimonials from persons intimately acquainted with their work and character. If the applicant is in employment, he/she should submit testimonials from the most recent employer or immediate superior as a referee.
- 23) The Institute has a right to decide the mode of screening and testing the applicant for short listing and selection.
- 24) The Institute solely reserves the right not to fill any advertised position without assigning any reason
- 25) Only shortlisted applicants will be contacted.
- 26) No correspondence whatsoever will be entertained from candidates regarding conduct and result of test/interview and reasons for not being called for interview. Canvassing in any form will be a disqualification.
