Job Overview

The Program Manager (PM) is responsible for organising and conducting in-person and online GDC programs and managing all the tasks around such programs. The PM will be managing more than one program at any point in time. A PM is required to handle multiple tasks, prioritise deadlines, make independent operating decisions, and resolve operational conflicts and grievances amicably. As part of managing programs, the PM also handles other critical tasks such as database management, MIS preparation, networking with alumni, and liaising with IIT Madras. The challenging role provides avenues for developing multi-faceted organisational skills and career growth. The Program Manager works very closely with the Chief/Senior Program Manager, GDC instructors, and start-up teams in organising and conducting training programs.

Key Responsibilities

- Organising and administering GDC programs (in-person and online) as per plan and procedure
- Compering online meetings/webinars as the host on electronic platforms such as Zoom, Teams, etc.
- Communicating with instructors, mentors, and team members to run programs on schedule.
- Organising data, documents, correspondences, contracts, MIS, and archiving of course material and metadata during and after programs
- Managing multiple programs/cohorts of GDC and commitments simultaneously
- Getting to know every alumnus/alumni of GDC and maintaining contact with them in the future.
- Managing the software packages and licenses of GDC.

Required qualifications and competencies.

- Capabilities include creating and managing program schedules, organising and distributing training materials, maintaining databases, managing communication, contract management, administering online surveys, etc.
- Proficient in managing online webinars/conferences on any platform (e.g. Zoom, Teams).
- Comfortable in working in small, close-knit teams and under tight deadlines.
- Computer savvy – Proficient in using MS Office, Email, and Social Media software; should be willing and capable of learning software tools such as database programs, video-making/editing software, and other online software tools/utilities.
- Should be comfortable in approaching and interacting with senior academics, professionals, and students online and in person.
- High fluency in written and spoken English and working knowledge of Tamil and Hindi.

About GDC, IIT Madras

GDC works with STEM universities across India to implement a ‘Lab to Market’ mission by helping faculty, researchers, and students commercialise their research through startups. GDC’s flagship program, I-NCUBATE, has found wide acceptability across several universities and incubators. GDC is scaling I-NCUBATE and other programs in collaboration with other universities, industry, and government to more than 500 colleges. The work environment is very professional and congenial.

The last date for submission of online application is 07.03.2024.

General Instructions to the candidates

- 1) All the positions are on purely contract basis.
- 2) The completion of the period of contract will not confer any right for further extension, regularization, permanency at the Institute.
- 3) Candidates should apply online only in the website <https://icandsr.iitm.ac.in/recruitment/> - **(Please check the advertisement number Advt. 16/2024 displayed and submit the application for the relevant position).**
- 4) Separate application has to be filled for each post.
- 5) The system will accept single application only with the registered login ID (email) for an advertisement, hence the candidate is requested to select the multiple positions (In case, the candidate wishes to apply for more than one position) before the submission of application.
- 6) The application cannot be edited, reverted once it is submitted.
- 7) Candidates should not attempt to apply twice for the same post. If multiple applications are received from a candidate for the same post, the candidature will liable to be rejected.

Such candidates should apply to the Government of India in the Ministry of Home Affairs for necessary certificate and furnish satisfactory proof of having so applied.
- 13) The prescribed qualifications are minimum and unless specified, they are required for consideration for the post, even if higher qualification has been acquired and the mere fact that a candidate possesses the same will not entitle them for being called for interview.
- 14) Relevant experience gained after the minimum qualifying degree will only be taken into consideration. Minimum requirements of qualifications and/or experience can be relaxed in respect of exceptionally outstanding candidates.
- 15) The experience required is relaxable at the discretion of the Institute in the case of candidates belonging to the Scheduled Caste / Scheduled Tribe, if at any stage of selection, the competent authority is of the opinion that sufficient number of candidates from these communities possessing the requisite experience are not likely to be available to fill up the vacancy reserved for them.

- 16) The Institute reserves the right to restrict the number of candidates for written / skill test / interview to a reasonable limit on the basis of qualifications, level and relevance of experience higher than the minimum prescribed in the advertisement and other academic achievements. The Institute also reserves the right of rejecting any or all the applications without assigning any reasons therefore.
- 17) Calling a candidate for test/interview merely indicates that it is felt that the candidate with others may be suitable for the post and conveys no assurance whatsoever that they will be recommended or selected or their conditions specified in the application will be accepted.
- 18) Candidates will be short-listed for Test/Interview on the basis of the information provided by them in their online applications. They must ensure that such information is true. If at any subsequent stage or at the time of Test/Interview any information given by them or any claim made by them in their online applications is found to be false, their candidature will be liable to be rejected.
- 19) The Institute shall verify the antecedents or documents submitted by a candidate at any time at the time of appointment or during the tenure of the service. In case, it is detected that the documents submitted by the candidates are fake or the candidate has clandestine antecedents/background and has suppressed the said information, then their services shall be liable to be terminated.
- 20) In case of any inadvertent mistake in the process of selection which may be detected at any stage even after the issue of appointment letter, the Institute reserves the right to modify/ withdraw/ cancel any communication made to the candidates.
- 21) Applicants who are working in **any one of the Project at IIT Madras**, must apply through proper channel otherwise they will be required to produce No-Objection Certificate at the time of document verification/Test/Interview. Candidates without NOC will not be permitted to appear for Test/Interview.
- 22) Candidates may send testimonials from persons intimately acquainted with their work and character. If the applicant is in employment, the candidate should submit testimonials from the most recent employer or immediate superior as a referee.
- 23) The Institute has a right to decide the mode of screening and testing the applicant for short listing and selection.
- 24) The Institute solely reserves the right not to fill any advertised position without assigning any reason
- 25) Only shortlisted applicants will be contacted.
- 26) No correspondence whatsoever will be entertained from candidates regarding conduct and result of test/interview and reasons for not being called for interview. Canvassing in any form will be a disqualification.
- 27) The crucial date for determining the eligibility criteria for all candidates in every respect shall be the prescribed closing date for submission of online application.
