Advertisement No.: ICSR/PR/Advt.170/2021 Dated: 12/10/2021

Applications are invited for the temporary post of **Project Associate and Project Technician** for the project titled “**Design and Development of Next Generation Photonic Analog to Digital Converters (NG-PADC)**” in the Department of **Electrical Engineering, IIT Madras**.

Co-ordinator: Prof. Deepa Venkitesh, Dept of Electrical Engineering, IIT Madras.

Duration: Twelve (12) months (likely to be further extended based on performance)

S.No	Post	Qualification and Experience	Pay
1	Project Associate (Embedded System Design)	B.Tech / M. Tech. in ECE / EE / E&I or related discipline. Knowledge in Embedded System Design and Digital Signal Processing (DSP) is mandatory	Rs. 21,500/- to Rs. 30,000/-
2	Project Associate (Optical Design)	B.Tech / M. Tech. in ECE / EE / E&I or related discipline or Master Degree in Science (MSc). Knowledge in optical design and digital signal processing (DSP) is mandatory	Rs. 21,500/- to Rs. 30,000/-
3	Junior Technician (Electronics)	3-Year Diploma or B. Tech. in Electronics & Comm./Electrical Engg. / E&I / Electrical & Electronics Engg.	Rs. 16,000/- to Rs. 25,000/-
4	Junior Technician (Mechanical)	3-Year Diploma or B. Tech. in Mechanical Engg.	Rs. 16,000/- to Rs. 25,000/-

Job Description:

1. ***Project Associate (Embedded System Design):*** To work as researcher in domains like Microwave Photonics, and to assist in development and implementation of Photonic Analog-to-digital converter (PADC).
2. ***Project Associate (Optical Design):*** To work as researcher in domains like Microwave Photonics, and to assist in development and implementation of Photonic Analog-to-digital converter (PADC).
3. ***Project Technician (Electronics):*** To assist in development and implementation of Photonic Analog-to-digital converter (PADC).
4. ***Project Technician (Mechanical):*** To assist in development and implementation of Photonic Analog-to-digital converter (PADC).

Requirements:

1. ***Project Associate (Embedded System Design):*** Strong background in Embedded system design, Digital Signal Processing (DSP). Candidate is expected to assist in backend programming, algorithm design and hardware implementation of time-stretch as well as time-sampled photonic analog-to-digital converters. People with hands-on project experience will be preferred.
2. ***Project Associate (Optical Design):*** Strong background in Digital Signal Processing (DSP) and Optical design areas. Programming skills in MATLAB are also desirable. People with hands-on project experience will be preferred.
3. ***Project Technician (Electronics):*** Strong background in Basic Electronics, Circuit Theory subjects. Selected Candidate is expected to design and implement electronic boards and circuits to be used in system level electrical and opto-electronic components, to be used in time-stretch as well as time-sampled photonic analog-to-digital converters. Selected Candidate is also expected to assist in complete hardware implementation of time-stretch as well as time-sampled photonic analog-to-digital converters. People with hands-on project experience will be preferred.
4. ***Project Technician (Mechanical):*** Strong background in CAD design and ability to package electronics/optoelectronic sub-components in a compact manner. Selected Candidate is expected to design and implement casings and placement holder of optical and opto-electronic components to be used in time-stretch as well as time-sampled photonic analog-to-digital converters. Selected Candidate is also expected to assist in complete hardware implementation of time-stretch as well as time-sampled photonic analog-to-digital converters. People with hands-on project experience will be preferred.

Additional steps to application:

Interested candidates may apply for this announcement on or before **20th October, 2021**.

General Instructions to the candidates

- 1) All the positions are on purely contract basis.
- 2) The completion of the period of contract will not confer any right for further extension, regularization, permanency at the Institute.
- 3) Candidates should apply online only in the website <https://icandsr.iitm.ac.in/recruitment/> - **(Please check the advertisement number Advt.170/2021 displayed and submit the application for the relevant position).**
- 4) Separate application has to be filled for each post.
- 5) The system will accept single application only with the registered login ID (email) for an advertisement, hence the candidate is requested to select the multiple positions (In case, he/she wishes to apply for more than one position) before the submission of application.
- 6) The application cannot be edited, reverted once it is submitted.
- 7) Candidates should not attempt to apply twice for the same post. If multiple applications are received from a candidate for the same post, his/her candidature will liable to be rejected.
- 8) Candidates should follow the prescribed procedure for submission of online application.
- 9) Candidates are advised to fill their correct and active e-mail addresses in the online application as all correspondence will be made by the Institute through e-mail only.
- 10) The candidates applying for any post should ensure that they fulfil all the eligibility conditions for the post. Their admission to any stage of the selection process will be purely provisional subject to confirmation that they satisfy the prescribed eligibility conditions. Mere issue of registration certificate / call letter to the candidate will not imply that his/her candidature has been found eligible.
- 11) After successful online submission of application, a print out of the application form must be obtained and submitted when called for test. It will be required at the time of document verification/test/interview. Hard copy of the application is NOT to be sent to the Institute.
- 12) Candidates must be citizens of India. Persons who have migrated from Pakistan with the intention of permanently settling in India or subjects of Nepal are also eligible, but in their case a certificate of eligibility from the Government of India will be necessary for appointment. Such candidates should apply to the Government of India in the Ministry of Home Affairs for necessary certificate and furnish satisfactory proof of having so applied.
- 13) The prescribed qualifications are minimum and unless specified, they are required for consideration for the post, even if higher qualification has been acquired and the mere fact that a candidate possesses the same will not entitle him/her for being called for interview.

- 14) Relevant experience gained after the minimum qualifying degree will only be taken into consideration. Minimum requirements of qualifications and/or experience can be relaxed in respect of exceptionally outstanding candidates.
- 15) The experience required is relaxable at the discretion of the Institute in the case of candidates belonging to the Scheduled Caste / Scheduled Tribe, if at any stage of selection, the competent authority is of the opinion that sufficient number of candidates from these communities possessing the requisite experience are not likely to be available to fill up the vacancy reserved for them.
- 16) The Institute reserves the right to restrict the number of candidates for written / skill test / interview to a reasonable limit on the basis of qualifications, level and relevance of experience higher than the minimum prescribed in the advertisement and other academic achievements. The Institute also reserves the right of rejecting any or all the applications without assigning any reasons therefore.
- 17) Calling a candidate for test/interview merely indicates that it is felt that he/she with others may be suitable for the post and conveys no assurance whatsoever that he/she will be recommended or selected or his/her conditions specified in the application will be accepted.
- 18) Candidates will be short-listed for Test/Interview on the basis of the information provided by them in their online applications. They must ensure that such information is true. If at any subsequent stage or at the time of Test/Interview any information given by them or any claim made by them in their online applications is found to be false, their candidature will be liable to be rejected.
- 19) The Institute shall verify the antecedents or documents submitted by a candidate at any time at the time of appointment or during the tenure of the service. In case, it is detected that the documents submitted by the candidates are fake or the candidate has clandestine antecedents/background and has suppressed the said information, then his services shall be liable to be terminated.
- 20) In case of any inadvertent mistake in the process of selection which may be detected at any stage even after the issue of appointment letter, the Institute reserves the right to modify/ withdraw/ cancel any communication made to the candidates.
- 21) Applicants who are working in **any one of the Project at IIT Madras**, must apply through proper channel otherwise they will be required to produce No-Objection Certificate at the time of document verification/Test/Interview. Candidates without NOC will not be permitted to appear for Test/Interview.
- 22) Candidates may send testimonials from persons intimately acquainted with their work and character. If the applicant is in employment, he/she should submit testimonials from the most recent employer or immediate superior as a referee.
- 23) The Institute has a right to decide the mode of screening and testing the applicant for short listing and selection.
- 24) The Institute solely reserves the right not to fill any advertised position without assigning any reason
- 25) Only shortlisted applicants will be contacted.
- 26) No correspondence whatsoever will be entertained from candidates regarding conduct and result of test/interview and reasons for not being called for interview. Canvassing in any form will be a disqualification.

- 27) The crucial date for determining the eligibility criteria for all candidates in every respect shall be the prescribed closing date for submission of online application.
- 28) The Institute strives to have a workforce which reflects gender balance and women candidates are encouraged to apply.
- 29) Any corrigendum/clarifications on this advertisement, if necessary, shall be uploaded on website and no separate communication will be sent for this purpose.
- 30) **The last date for submission of online application is 20/10/2021**
- 31) If there is any issue to submit the application please send E-mail to : recruitment@imail.iitm.ac.in / icsrrecruitment@iitm.ac.in **Contact: 044- 2257 8357** on all working days from **9.00 AM to 05.30 PM (Monday to Friday – except National Holidays)**.
